

English Translation of the Boston College Ecclesiastical Diploma

The Ecclesiastical Faculty at Boston College

To all who will read what is written here: Greetings in the Lord.

Since in all particulars the requirements which are decreed in the Apostolic Constitutions and in our statutes have been fulfilled, we do, in the name and by the authority of **POPE**, Supreme Pontiff gloriously reigning, and in virtue of the power granted us by the Apostolic See, testify that our esteemed **NAME** has been duly approved and promoted to the rank of **DEGREE**, and has been granted each and all the rights and privileges pertaining to that degree.

That this may be known to all, we have awarded this diploma, attested by our common seal and signatures, in the halls of our Academy, on this (**Day/Month/Year**).
